Forest Hills Eastern High School
FAMILY DIRECTORY

The parents of this year's graduating class are producing the FHE High School Family Directory. Being listed in the FHE High School Family Directory enables you to stay informed by Eastern families, school committees and booster groups. These groups can reach out to you, so you can become involved in your child's education experience. Your information will be included in the FHE High School Family Directory even if you do not purchase one. Per Forest Hills Public Schools district policy, its schools are not allowed to give out personal contact information such as e-mail and home addresses or phone numbers.

We are moving away from a paper form and strongly encourage you to enter your information on-line at http://tinyurl.com/FHEDirectoryOnlineForm

On-line entry can be done in the comfort of your own home, and you will have one less item to check off your orientation list! If you're unable to complete it at home, there will be a limited amount of computers available during the high school orientations for your use. Your assistance in providing this information on-line will help us produce the directory in a more timely and efficient manner. As always, you may still purchase directories using cash, check and SCRIP even when you enter your information on-line.

Directories will be delivered to your student via his/her first hour teacher by September 26, 2017. After that date, directories may be purchased in the high school office.

If you do not have access to a computer and will not be at your child's orientation, you may complete the form below and return it to the high school office or your student's 1st hour teacher no later than the first day of school.
