# Bond Update

Many exciting projects are happening this summer due to the passage of the \$45 million bond issue in 2013. Building improvements are occurring primarily at the Fine Arts Center; the Community, Aquatic and Senior Citizens Center; and on the campus of Forest Hills Eastern high school and middle school. Additionally, some roof repair will occur at Central Middle School. Playgrounds also are receiving upgrades, to include, but not limited to, ADA compliance. In the area of technology, wireless network expansions will continue. Audio upgrades will also take place in kindergarten through sixth-grade classrooms. To learn more about summer building and improvement projects, visit: [www.fhps.net](http://www.fhps.net).

Thank you Forest Hills residents for your continued support of the district's goal to preserve district assets the community has invested in, and maintain a quality educational environment for our students.

## 2015 Ben Emdin Award Recipients Honored at June Board Meeting

The Ben Emdin Guiding Principles in Action Award is presented each year at the June board of education meeting to those in the Forest Hills Public Schools and community who have started a project of long-term benefit, and/or have consistently demonstrated the district's guiding principles over many years of service. This year's recipients of the award are Ed and June Prein, Heather Lunt, Kim Engle, Tamera Laage, Corina Dulecki, Lori McDiarmid, and Cathryn Mooney. The Preins have supported the FHPS district for over 40 years, in the areas of academics, fine arts, and athletics, and they continue to support and be in the forefront of district initiatives which help teachers embrace innovation in the classrooms. Lunt, Engle, Laage, Dulecki, McDiarmid and Mooney have been instrumental in the creation and the advancement of the parent volunteer-driven group for the Awareness, Acceptance and Advocacy of Mental Health. For over three years, this team has worked alongside FHPS staff members to help eliminate the stigma around mental illness and bring the importance of children's mental health and well-being to the forefront.

June Prein accepts her and her husband's award for their years of support of the district's programs, including district initiatives that encourage innovation in the classroom.
