Important Questions	Answers	Why this Matters
What is the overall <u>deductible</u> ?	For <u>participating providers</u> \$1,350 person / \$2,700 family For <u>non-participating providers</u> \$3,000 person / \$6,000 family The <u>deductible</u> for each benefit level is calculated separately.	Generally, you must pay all of the costs from providers up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , the overall family <u>deductible</u> must be met before the <u>plan</u> begins to pay.
Are there services covered before you meet your <u>deductible</u> ?	Yes, the preferred benefits <u>deductible</u> doesn't apply to <u>preventive care</u> .	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without cost-sharing and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <u>https://www.healthcare.gov/coverage/preventive-care-benefits/</u> .
Are there other <u>deductibles</u> for specific services?	No.	You don't have to meet <u>deductibles</u> for specific services.
What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ?	Yes. For <u>participating providers</u> \$2,000 person / \$4,000 family For <u>non-participating providers</u> \$4,000 person / \$8,000 family The <u>out-of-pocket limit</u> for each benefit level is calculated separately.	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , the overall family <u>out-of-pocket</u> <u>limit</u> must be met.
What is not included in the <u>out-of-pocket limit</u> ?	<u>Premiums</u> , <u>balance-billed</u> charges, health care this <u>plan</u> doesn't cover, and services that exceed an annual day/visit limit.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket</u> <u>limit</u> .
Does this plan use a <u>network</u> of <u>providers</u> ?	Yes. See PriorityHealth.com or call 1-800-956-1954 for a list of <u>participating providers</u> .	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays (<u>balance billing</u>). Be aware your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do I need a referral to see a <u>specialist</u> ?	No, you don't need a referral in order to receive the preferred benefit for services provided by a <u>participating specialist</u> . Yes, you do need a referral in order to receive the preferred benefit for services provided by a <u>non-participating specialist</u> .	You can see the in-network <u>specialist</u> you choose without <u>a referral</u> . This <u>plan</u> will pay some or all of the costs to see an out-of-network <u>specialist</u> for covered services but only if you have a <u>referral</u> before you see the <u>specialist</u> .
