

Mid-Year Reading Goal

The majority of K-1st grade students will achieve NWEA MAP reading scale scores at or above the 50th percentile of NWEA 2020 national norms. The majority of 2nd-4th grade students will achieve scale scores on the NWEA MAP reading assessments indicating they are on-track for proficiency on the Spring 2022 M-STEP ELA assessment. On-track scale scores are determined by the NWEA 2020 Linking Study for Michigan.

Mid-Year Math Goal

The majority of K-1st grade students will achieve NWEA MAP mathematics scale scores at or above the 50th percentile of NWEA 2020 national norms. The majority of 2nd-4th grade students will achieve scale scores on the NWEA MAP mathematics assessments indicating they are on-track for proficiency on the Spring 2022 M-STEP mathematics assessment. On-track scale scores are determined by the NWEA 2020 Linking Study for Michigan.
