CONSENT FOR ADMINISTRATION OF HEALTH TREATMENT AND/OR MEDICATION AT SCHOOL

- Parents are urged to provide health treatments and give medication at home and on a schedule other than school hours if possible. If it is necessary that treatments and/or medication be provided during school hours, these regulations must be followed. *Please Note: "Medication" refers to any prescription, non-prescription, homeopathic, herbal, vitamin, or mineral preparation.*
- Self-administration provisions are for high school students only with the exception of inhalers, epipens and glucagon.
- Health treatments and medications must be prescribed in writing by a physician or other licensed health care provider and must be renewed at least annually. Providers complete Part 1 below and must sign form—Part 2 and fax written instructions to school.
- All medication, prescription and non-prescription, must be brought to school in the original pharmacy container only with a current label showing the name of the student, medication, strength, dosage, and time(s) to be given. Metered dose inhalers must have a label attached to the container.
- Health treatment supplies will be provided for school use for each student by parent/guardian as needed.
- Parent/guardian written permission is required to administer treatments and medications at school as directed by physician/licensed health care provider, including permission to contact provider as necessary. Parent must sign below—Part 2.
- Any misuse of medication by a student, including selling or giving away the medication, that violates district policies will result in revocation of self-administration privileges and may result in a referral to law enforcement officials.
