ARTICLE II: SENIORITY, LAYOFF AND RECALL

A. SENIORITY

1. Seniority for longevity purposes is defined as the length of continuous service with the Forest Hills Public Schools. Seniority, for layoff purposes is defined as the length of continuous service as an employee within the job classifications/grades covered by the Administrative Support Staff handbook, commencing with the first day of employment after the last date of hire. (Example: switching from custodial to support staff can affect seniority, as well as changing from a Grade 1 to a Grade 3 within the support staff). When an employee holds multiple assignments at different grade and/or steps, seniority will be based on the assignment with the most hours. An employee must work a minimum of one-

half (.5) of their scheduled calendar year in order to be given credit for one (1) full year of seniority.

2. Seniority automatically terminates if an employee resigns, is discharged or fails to report to a position in the District upon the termination of a leave of absence.
3. Time away from the job on an approved leave of absence, including unpaid time or time an employee is on Workers Compensation, will not be applied to the employee's seniority, but the employee will not lose seniority accrued up to the date of leave, except as noted above.
4. Seniority will be credited based on the total number of hours worked, not including overtime or subbing, and pro-rated by a tenth of one year, following the same breakdown in hours used by the Michigan Public School Employee Retirement System (MPERS) to calculate a retirement credit.

1,020 hours or more	1.0 year
918 – 1,019	.9 year
816 – 917	.8 year
714 – 815	.7 year
612 – 713	.6 year
510 – 611	.5 year
408 – 509	.4 year
306 – 407	.3 year
204 – 305	.2 year
203 or less	.1 year

5. It is understood that when an individual moves from one job Classification/Grade to another, they retain their total seniority within the District to determine vacation days.

B. LAYOFF

When a reduction of staff is necessary, as determined at the sole discretion of the Board of Education, layoff shall be determined in the following manner:

1. Probationary employees shall be laid off first when an employee who has acquired any seniority and whose position has been eliminated, is qualified to perform the services of the probationary employee.
2. The Board will make every effort to send out layoff notifications to affected employees 30 days in advance, whenever possible.
3. In the event the position of a senior employee is eliminated, he/she shall have the opportunity to replace the lesser senior employee in the same grade job classification or a lower grade job classification of employment provided he/she is deemed to have the

qualifications, proficiency and efficiency of job performance, special job skills and knowledge necessary to successfully handle the assignment.

4. When a more senior employee moves to a lower grade job classification, pay will be adjusted to accurately reflect the pay level for the job classification. The employee would retain step placement within the lower job classification to reflect appropriate

2. Recall shall be in the inverse order based on the same criteria used by layoff as determined by the Board.
 - a. A recall list shall be maintained by the Board for a period not to exceed two (2) years. Thereafter, an employee shall lose his/her right to recall.

That employee will receive compensation or flex-time for time worked.
4. For the 2021-22 and 2022-23 school years, on the first two days when school is closed for students due to inclement weather, but district staff are still working, Grade III employees may choose to work.
