- Project goals: Life-cycle replacement to ensure maximum efficiency and reduce any use of general operating funds
- Anticipated completion: August 2025

Construction In Progress

Elementary playgrounds

- Project goal: Provide additional equipment that allows for better accessibility for all students
- Anticipated completion: September 2025

Eastern High competition gym

- Project goal: Replace flooring to a standard type of material and replace bleachers
- Anticipated completion: October 2025

Central High School

- Project goals: Create a learning environment that is comfortable, easy to use and flexible to foster opportunities for growth and creativity. Spaces for on-time collaboration, technology integration, capitalize on student talents, and welcoming and comfortable.
- Construction period: June 2025 - September 2027 with 9 phases

Design Complete

Northern Hills Middle

- Project goals: Augment the facility to reflect the culture of the school by connecting to nature, community engagement through collaborative spaces, student-centered learning spaces, and spaces to celebrate learning
- Seeking Board approval: November 2025
- Construction period: April 2026 - June 2028

New Aquatic Center

- Project goals: Create a state of the art aquatic facility with a competition pool and a recreation pool allowing for large and small scale events.
- Requires relocation of a water main. Working in collaboration with Grand Rapids Township and the City of Grand Rapids.
- Design presentation: September 2025
- Seeking Board approval: November 2025
- Construction period: Late winter 2026 - Late winter 2028
- Community open house: TBD

Design In Progress

Central High Athletics Baseball/Softball Fields

- Project goal: Turf both fields
- Design presentation: September 2025
- Seeking Board approval: January 2026
- Construction period: June 2026 - January 2027

Eastern High Athletics Auxiliary Turf Field

- Project goals: Establish an auxiliary turf field to accommodate our athletic opportunities and create parity among our high schools
- Design presentation: September 2025
- Seeking Board approval: December 2025
- Construction period: May 2026 - January 2027

Northern High Athletics Baseball/Softball Fields

- Project goals: Relocate softball field and turf both fields to create a complex-like environment. This project also adds much needed parking where the current softball field is located
- Design presentation: September 2025
- Seeking Board approval: December 2025
- Construction period: Late winter 2026 - April 2027

Design In Progress
