

Suggested Supplies for CMS Students

- Planner/calendar (no longer required by CMS). We use an online calendar, Canvas, for classroom/assignment planning. Your student will have access to this tool.
- Texas Instrument Calculator TI-30X I, TI-30X II, or TI-30X IIS (preferred for 7th & 8th), TI-84 (for algebra and above)
- Notebooks
- 3-ring Binder
- Loose-leaf paper
- Folders - for homework or handouts (one per class).
- CMS doesn't require a specific P.E. uniform. Please bring clothes/athletic shoes to change into for class.
- If your student is taking an art class: 1 sketchbook 9x12. Recommended: Canson Mix Paper Pad, 98 pound, 9x12 inch, 60 sheets

CMS will happily accept donations of school supplies to share with students as needed.
