The Forest Hills Public Schools November 2018 bond proposal was developed to **INVEST, SECURE, and INSPIRE**

INVEST

This proposal was developed to **INVEST** in district infrastructure by upgrading aging systems

- Upgrading critical mechanical, electrical, and plumbing systems in all schools
- Replacing systems at the end of their useful life cycle
- Continuing installation of snowmelt systems throughout the district
- Replacing roofing, parking lots and sidewalks
- Relocating and constructing the district's administration office on the Forest Hills Fine Arts Center campus
- Improving athletic facilities at the end of their useful life cycle

SECURE

This proposal was developed to **SECURE** our schools by upgrading safety measures

- Funding continual improvements to safety and security measures within our district because school safety solutions are evolving
- Updating lighting, occupancy sensors, and surveillance systems
- Replacing aging buses to keep the fleet modern and safe

INSPIRE

This proposal was developed to **INSPIRE** our students by providing modern learning environments

- Transforming over 500 classrooms to create flexible and dynamic learning environments, including flexible furniture, LED lighting, and integrated technology
- Updating technology infrastructure, including classroom multimedia and devices, to maximize connectivity, access and learning
- Providing project-based learning environments to support collaborative learning
- Continuing media center improvements throughout the district
