

I Need a Vacation #1

I NEED A VACATION!!

HELP!! I need a vacation!

Now, it just can't wait.

HELP! I need a vacation,

To get my head on straight.

School is cool

But I gotta let loose.

I'm tired of the same old grind.

HELP!! I want it.

HELP! I need it.

I'm going out of my mind.

HELP! I need a vacation

Time to hit the road.

HELP! I need a vacation,

My brain's on overload.

Tests and grades and

A lot of homework,

The pressure's really getting to me.

HELP! I ask you.

HELP! I beg you.

Somebody set me free!

I could hit the road,

I could take a trip,

I could fly way up in the sky.

I could go to the beach

Take a little dip and

Kiss this work goodbye.

I could walk, I could run,
I could ride my bike,
Go swimming in the swimming pool.

I could go to camp,
I could go on a hike.

"YOU COULD ALL GO TO SUMMER SCHOOL."

NO! WE NEED A VACATION!

(Free Dance)

HELP!! I need a vacation!

Now, it just can't wait.

HELP! I need a vacation,

To get my head on straight.

School is cool

But I gotta let loose.

I'm tired of the same old grind

HELP!! I want it.

HELP! I need it.

I'm going out of my mind.

I need a vacation!!

Are We There Yet? #2

Waking up at dawn

To get an early start.

Just not my idea of

Having fun.

Loading up the trunk,

Getting ready to depart,

Our fam-i-ly vacation has begun.

Two miles out of town

And Mom forgot the map.

Sister wants to blast the radio.

Dad hit a bump,

Spilled hot coffee on his lap,

And Little Bobby Joe has got to go.

Traveling down the road,

Hauling quite a load.

Seeing things that

No one could forget.

Miles and miles of fun

Just heading for the sun

When someone always yells

~~"ARE WE THERE YET??"~~

Two days in the car,

Played every game we know.

When it comes to songs,

We sang them all.

Counted license plates

From Maine to Idaho,

Sang 40 thousand

Bottles on the wall.

Got to Yellowstone

Got bitten by a bear.

Then Old Faithful

Just refused to blow.

Had a flat in Omaha

And Dad forgot the spare

And little Bobby Joe still has to go.

Traveling down the road,

Hauling quite a load.

Seeing things that

No one could forget.

Miles and miles of fun

Just heading for the sun

When someone always yells

~~"ARE WE THERE YET??"~~

Gave my sister quite a scare

Mother's pulling out her hair.

Daddy's looking kind of spent,

Bobby Joe he finally went.

Now we're running out of gas,

Almost wished I was in class.

Then someone finally yells...

"WE'RE HERE!!"

YAHOO!!

Gone Fishing #3

Don't need a big vacation,

Don't need a fancy trip.

Don't need to visit Aunt Louise,

Or sail upon a ship.

Just give me space with water,

All stocked with perch and bass.

Gonna make a date with a little bait

And we'll watch vacation pass.

Gone fishing, got my favorite pole,

Gone fishing, down at the swimming hole.

And I'm wishing the world would let me be

And we could be together fishing you and me.

We could find our favorite spot

And camp there day and night.

We'll cast away our lines all day

And hope we get a bite.

If you want to reel a catch in

Just hold your line real firm.

Going to take a hook, and then

We'll look for the perfect slimy worm.

EWWWWW!/ YUCK!!

Gone fishing, got my favorite pole,

Gone fishing, down at the swimming hole.

And I'm wishing the world would let me be

And we could be together fishing you and me.

We could be together fishing you and me,
And we could be together fishing you and me
And we could be together fishing you and
..... me!

Hit the Beach #4

Come on everybody

Listen to a rock and roll beat.

Time to get going

And jump out of your seat.

Gonna head to a spot

Gonna catch some rays.

Going straight for the sun and

Hit the beach today.

Whoa whoa whoa whoa whoa

Hit the beach.

Whoa whoa whoa whoa whoa

Hit the beach.

We're going to hit the beach.

Come on everybody join the caravan

Gonna head to the sand.

Gonna work on my tan.

We'll ride a wave

When we hit the beach today.

From Malibu to Coney out in Ohio.

From over in Hawaii or

Down in Mexico. OLE!

We'll load the wagon,

Our boards on top.

And drive to a place

Where the fun won't stop.

Going straight for the sun and

Hit the beach today.

Whoa whoa whoa whoa whoa

Hit the beach.

We're going to hit the beach.

Whoa whoa whoa whoa whoa

Hit the beach.

We're going to hit the beach.

Come on everybody join the caravan

Going to head to the sand.

Going to work on my tan.

We'll ride a wave

When we hit the beach today.

Let's Go!!~~ Hand Jive~

Come on everybody join the caravan

Gonna head to the sand.

Gonna work on my tan.

We'll ride a wave

When we hit the beach,

We'll misbehave when

we hit the beach,

We'll ride a wave when

we hit the beach today,

today... SURFS UP!!

A Letter from Camp #5

Hey!! How about going

To computer camp.

A pretty nerdy computer camp.

On bytes we dined,
I'm going out of my mind.

Boring, memory not worth storing.

A little typing is a risk

And I think I slipped a disk,

I'm not happy at computer camp.

I just want to come home.

Hey!! How about going to a space camp,

Way out in outer space camp.

I'm not an eagle scouter

But the food is made of powder.

Floating in a little capsule,

It's just a little hunch

I'm about to lose my lunch.

I'm not happy at space camp.

I just want to come home.

Hey!! How about going to a health camp.

A healthy kind of health camp.

The sprouts as a diet are
causing me to riot.

Donuts, I need lots of donuts.

No more exercise

Give me burgers and some fries.

I'm not happy at health camp.

I'm not happy at space camp,

I'm not happy at computer camp,

I just want to come home.

Way Out In Left Field #6

Take me out to the ball game,

Take me out to the crowd,

Buy me some peanuts

And cracker jacks,

I don't care if I ever get back.

For it's root, root, root

For the home team,

If they don't win, it's a shame,

For it's ONE, TWO, THREE

Strikes you're out,

At the old ball game.

Take me out to the ball game,

Take me out to the crowd,

Buy me some peanuts

And cracker jacks,

I don't care if I ever get back.

For it's root, root, root

For the home team,

If they don't win, it's a shame,

For it's ONE, TWO, THREE

Strikes you're out,

At the old ball game.

For it's ONE, TWO THREE

Strikes you're out

At the old ball game.

At the old ball game.

I'm Going To Wonderland! #7

Wonderland (wonderland)

The happiest place in the U.S.A. is

Wonderland (wonderland)

The happiest place to go to play.

There's so much there to do.

All your dreams come true.

In Wonderland (wonderland)

The happiest place in the world!

We'll walk down the main street,
What wonderful sights we'll see.

There'll be cotton candy

And a penny arcade

In our very own fantasy.

We'll journey through a new world,

Watch fireworks up in the sky.

We'll sail with pirates,

Take a jungle cruise and

Maybe even learn to fly.

Wonderland (wonderland)

The happiest place in the U.S.A. is

Wonderland (wonderland)

The happiest place to go to play.

There's so much there to do.

All your dreams come true.

In Wonderland (wonderland)

The happiest place in the world!

We'll rocket to the future,
We'll zoon through outer space.

We'll climb a mountain
And dive in a sub
And win a stock car race.
So come and join the party
And bring along your friends.

It's a magical mystical carpet ride Where the fun just never ends.

Never ends!

Wonderland (wonderland)

The happiest place in the U.S.A. is

Wonderland (wonderland)

The happiest place to go to play.

There's so much there to do.
All your dreams come true.
In Wonderland (wonderland)
The happiest place in the world!

The happiest place in the world!
The happiest place in the world!
The happiest place in the world!
The happiest place in the world!
