

# ***Odyssey of the Mind 2022-23***

Odyssey of the Mind is a creative problem-solving team activity, **open to ALL students K-12**. OM is a great opportunity for students to connect with other students, use their limitless imaginations and creativity, and engage in an extracurricular activity.

Two easy steps will get your children started on their Odyssey adventure!

**Step 1:** Want to know more about this totally A W E S O M E program? Watch one or both of these videos with your child to see what OM is all about!

**Step 2:** Attend the ZOOM Parent Information Meeting (students are welcome, too) on Wednesday, September 28 at 7:00. [Meeting Link](#)

OM runs from October to at least February & possibly through the end of May.

**PLEASE CONSIDER COACHING – free training is available.**

To read more about the scope and depth of the program, go to [www.odysseyofthemind.com](http://www.odysseyofthemind.com) and/or [www.miodyssey.com](http://www.miodyssey.com)

Even if a student has participated in OM in the past, parents should attend the ZOOM Parent Meeting so we'll know of your child(ren)'s interest and so you can learn about the new OM season.

**If you cannot attend the Zoom meeting, or to request full problems, sign-up forms, dates, or other information about OM, please contact your school's OM coordinator ASAP.**
