

RESOURCES for Remote Learning ENGLISH LEARNERS (ADDITIONAL LANGUAGE LEARNERS)

Issues 1-2, March 27, 2020

Families are invited to explore these weekly resources that have been curated with English learners in mind. These resources are offered for families interested in additional ways to supplement learning activities beyond those that are provided by classroom teachers.

We hope students and families will find some digital spaces to explore, engage, and enrich personal learning interests at home. We plan to post new editions on Fridays.
