

RESOURCES for Remote Learning

GRADES 6-8

Issue 1, March 20, 2020

Families are invited to explore these weekly resources that have been curated with grades 6-8 in mind. These resources are offered for families interested in additional ways to supplement learning activities beyond those that are provided by classroom teachers.

We hope students and families will find some digital spaces to explore, engage, and enrich personal learning interests at home. We plan to post new editions on Fridays.

RESOURCES

[Confident Parents Confident Kids](#): A parent guide to support students' social-emotional development

[March Fitness Challenge](#): Keep your mind and body active

OPPORTUNITIES

[Cats vs. Boxes](#): Smart videos for curious minds of all ages (2 min video)

Possible discussion question:

List as many scientific questions as possible related to the phenomenon of cats and boxes

[Mark Bezos](#): TED Talk - A life lesson from a volunteer firefighter (5 min video)

Possible discussion questions:

What little things might you do that make a big difference for others at this time?

How would you rate this podcast?

[Chrome Music Lab](#): Experiment with music

[Lunch Doodles with Mo Willems](#): Take a break to enjoy doodling with children's author Mo Willems

LOW TECH-NO TECH ACTIVITY

Create a birthday card for someone in your family.
