

Parents/Guardians:

Take advantage of the SMS text messaging service from FHPS.

To participate and receive SMS text alerts on your cell or mobile device, text **YES** to **67587**.

With this service, you will receive text messages notifying you of inclement weather, safety alerts, school closings, or other important information impacting your school and district. You can opt-out from alerts at any time. Just reply with STOP to any message, or HELP if you need assistance.

In addition to performing the opt-in process, please make sure this is the same wireless phone number entered into PowerSchool, and in PowerSchool you have checked the box that reads "Receives Mail."

If you need assistance with PowerSchool and confirming your information, please email parentportal@fhps.net, or call your student's school.

**Message and/or data rates may apply.*
