Opioid Awareness for Parents

Wednesday, May 3 | 7-9pm | Drug Take Back 6:30pm

This educational forum for parents and guardians of middle & high school students will focus on prevention of opioid addiction in our youth.

Listen to Kent County experts share their stories and statistics on the epidemic in our community, participate in the proper disposal of prescription drugs, and walk away with an understanding of how to keep our youth safe from this epidemic.

Clean out your medicine cabinets and arrive at 6:30 p.m. to take part in a prescription drug take back effort facilitated by the Kent County Sheriff.

If you are a parent/guardian, don't miss this event!

Kent ISD Education Center

2930 Knapp Street NE | Grand Rapids | 49525
