

"Ranger Strong"

Forest Hills Central Athletic Boosters

Through the efforts of many dedicated parents and coaches, the FHC Athletic Booster Organization is able to provide thousands of dollars for services and equipment to our teams' programs. Last school year we paid for our athletic training program for all sports, court time, warm up's, athletic equipment, bags and other essentials for every team. During last year, the athletic boosters provided over \$35,000 to our athletic programs. Thank you all very much for your generous donations, time and support.

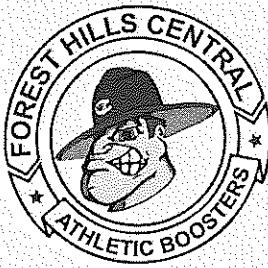

In addition to operating the concessions stands at home athletic events, the FHC Athletic Boosters is involved in other fundraising efforts throughout the year. The staffing of the concessions stand and helping with the annual Ranger Rally in the fall is essential and we will ask that as a parent of an athlete, you contribute your time, talent and leadership skills toward the building the foundation for a successful annual Booster campaign.

In an effort to raise funds on an annual basis, the FHC Athletic Boosters ask that you consider supporting the boosters as a "Patron Donor". Although your donation is not required, we ask that you take the time to sincerely consider this option. The following structure has been adopted for the current year"
