

# EMS Seventh Grade Elective Preference Planning Sheet for the 2022-2023 School Year

Current Sixth Graders and Families:

*This planning sheet has been created as an optional support only. It is not required.*

For our scheduling process, each student will log into their PowerSchool account during a specified class and **work with our counselors and registrar** to select preference elective classes for their seventh-grade year.

If you would like to **review the curriculum guide** as a family and **select courses** for your child to input during the class scheduling session, simply complete this sheet and make sure your child **brings it with them to the scheduling session on March 1st & 2nd, 2022.**
