WELCOME TO FINALFORMS

We are very excited to announce that Forest Hills Public Schools Athletic Department has partnered with FinalForms, an online forms and data management service, for ALL middle school sports. FinalForms allows you to complete and sign athletic participation forms for your students. The most exciting news is that FinalForms saves data from season-to-season and year-to-year, meaning that you will never need to enter the same information twice! FinalForms also pre-populates information wherever possible, for each of your students, saving you time.

- You can review and update your information on FinalForms at any time.
- Sign your forms once per year and after any updates to your information.
